## Credit Terms and Conditions Agreement

The applicant hereby authorizes the seller to obtain credit information from whomever the seller deems necessary in order to consider granting credit, and to disclose such information contained herein and obtained thereby to others making credit inquiry. The applicant assumes full responsibility for all materials purchased and agrees to notify the seller immediately of the receipt of the invoice of any billing discrepancies. Failure to do so constitute total buyer acceptance and responsibility as billed. The applicant understands that the seller reserves the right to serve Notice to Owners, file liens on past due accounts and use any legal means available to collect, if such action becomes necessary. The applicant further agrees to cooperate if called upon for either Notice or Lien information. In signing this application, the applicant agrees to pays court costs, including reasonable attorney fees, if legal proceedings are brought to collect amount due.
